Section 2: Author Declaration and Agreement

By signing this form, each author certifies the following:

1. Originality & Approval:

The submitted manuscript is original, has not been published, and is not under review elsewhere. All authors have read and approved the final version.

2. Author Contributions:

Each author has made significant contributions to the research and writing, and takes public responsibility for the content.

3. Conflict of Interest Disclosure:

All potential conflicts of interest (financial or non-financial) have been disclosed within the manuscript. If none, please indicate:

☐ No conflicts to declare

4. Copyright Transfer:

Upon acceptance, I/we hereby transfer the copyright of this manuscript to KLE Journal of Pharmaceutical and Health Sciences Research (KLE-JPHSR).

This includes rights to publish, reproduce, distribute, and translate the work in print or electronic formats.

5. Compliance with Ethical Standards:

The manuscript complies with all ethical publishing standards, including those set by COPE (www.publicationethics.org).
